Walk with Me - Through the City of Malaga (Footsteps Guides) Brian Jones

This ebook is an updated and fully revised version of the author's popular printed book – Footsteps through the City of Malaga. In Part 1 the ebook guides readers along three circular walks within the heart of the city of Malaga, linking together all the main points of interest. It lets readers focus on looking at the city rather than puzzling over street maps and wondering which routes to take. Part 2 contains interesting historical information about the city, and the individuals most closely associated with its past. There are also fascinating extracts from the diaries and journals of nineteenth century Northern European and American visitors.
