Gabriella Starr has silk suits, champagne tastes, and a great new career. She also has a strange man following her around Boston. Two of them, actually. When she tries to chase down the first, she encounters the second -- ex-cop and new D.A. Cam Yaeger. He's sure she's in trouble, but Gabriella bristles when he offers to help. She's way too attracted to him, and it's not like her to go for law-enforcement types anyway. She's far too independent, too naturally defiant. And she's spent too many nights in jail....

Cam Yeager likes cold beer, his Bruins sweatshirt, and shaving every other day. He knows all about Gabriella Starr, her eccentric father, and their years rescuing rare, endangered orchids no matter the stakes. Now something shady is going on in Boston. And something explosive is hovering on the horizon as well: the wild fireworks of two intense opposites falling in love....
