She can make him into the stud she needs.

Gorgeous babe Constance is completely and thoroughly controlled by a magic crystal. Her mind has been rewired so completely that she even loves the fact that she's been **made into a puppet** for someone else, and happily volunteers to be tranced by her Owner even more at every possible moment. But her previous Owner has decided to give her sexy services away to Chris, the young mega nerd **who Constance grew up with**. Upon Chris's return from college, Constance is under strict orders to be his homecoming gift, and to become his perfect servant in every **hot and naughty** little way. She'll obey his every last order, serve him in every erotic fashion, and even produce **hot taboo heirs** for him! She'll do anything to have him take control of her—even if it means trancing him to be her **perfect alpha stud Owner!** The only thing is, once she's unlocked his brutal, dormant dominance...it can't be locked back up again.
