New Our Right to Love: A Lesbian Resource Book

The complete lesbian resource guide, Our Right to Love instantly became a classic when it was first published in 1978. Now fully revised and expanded for the 1990s, this new edition includes over 60 articles and interviews covering the many aspects of lesbian life: relationships, sexuality, health, activism, education and sports, religion and spirituality, the law and legal issues, multiethnic lesbian experience, and lesbian culture. A group of essays explores the lesbian experience across cultures (African American, Latina, Asian, Native American) and age groups. Interviews with notable lesbians Martina Navratilova, Melissa Etheridge, Margarethe Cammermeyer, and Minnesota State Representative Karen Clark examine the particular experiences of highly visible out lesbians. An extensive bibliography, resource lists and index make this the complete lesbian reference.
