Priceless Treasure (The Lost Andersons) (Volume 4) Melody Anne

Ashton Storm had always possessed a sense of humor, but he tended to be more thoughtless and self-absorbed than his other siblings. He skated along through life, enjoying the finer things. That was until one day his father had enough and gave him an ultimatum. He either did his father's bidding, or his ride on easy street came to an instant stop.

Though Ashton fought against doing what his father demanded, he finally caved in and took the small boating company his father gave him and made it a multi-billion dollar corporation. Now, he's back on easy street and he's alone – but for how long?

Richard Storm was disappointed when his matchmaking plans for his son Ashton and the very sexy, smart, somewhat clumsy, Savannah Mills didn't work out. But no other woman seemed to be catching his son's eyes.

Fate has a funny way of working out though, and maybe, just maybe, Richard hadn't been wrong about Ashton and Savannah being the perfect couple. Because they're about to finally meet.
