Steadfast (Elemental Masters) Mercedes Lackey

A novel in Mercedes Lackey's bestselling series of an alternative Edwardian Britain, where magic is real?and Elemental Masters are in control.

Lionel Hawkins is a magician whose act is only partially sleight of hand. The rest is real magic. He's an Elemental Magician with the power to persuade the Elementals of Air to help him create amazing illusions. It doesn't take long before his assistant, acrobat Katie Langford, notices that he's no ordinary magician?and for Lionel to discover that she's no ordinary acrobat, but rather an untrained and unawakened Fire Magician.

Patsy Cassella:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Steadfast (Elemental Masters) can make you sense more interested to read.
